Dear Participant,

Greetings from the World Robot Olympiad-Bangladesh (WROBd) team!

Congratulations! We are delighted to inform you that your team has qualified for the **WROBd 2025 National Round**.

The **WROBd National Round** will bring together the best teams from across the country, showcasing their creativity, innovation, and problem-solving skills through robotics and STEM. This round will also serve as a stage of selection for teams to represent Bangladesh at the **WRO 2025 International Finals in Singapore**.

Please note: The **event venue, schedule, and detailed instructions** will be published soon. **Registration link for national round** will be provided soon as well. Stay tuned for updates through email and our official communication channels.

We are excited to see your innovative project at the National Round and wish you the very best in your preparation.

[This mail is only sent to the team leader of selected teams. Team leaders are requested to share this information with the team members.]

Warm regards,

Team WROBd
