Dear Sir,

We, Arman (Roll: 230623) and Sajid Hasan Rohit (Roll: 230622), are students of your course. We write to request permission to sit the class-test which we missed on account of participating in the WROBD 2025 Regional (Rangpur). We represented our university at this regional robotics competition and therefore were unable to attend the scheduled class test.

We sincerely apologize for missing the test. We understand the importance of assessments and will comply with any conditions you set for the makeup opportunity. We are available for the makeup test at your convenience and can come to campus. We respectfully request the following permission to take the missed class-test at a time convenient for you, if possible.
